Dear Governor Schwarzenegger,

It is my understanding that you have 40 tickets available to the Rolling Stones concert this Sunday at Fenway Park in Boston. I am writing to request you give me two of those tickets as a gift. I am a Registered Nurse and work extremely long hours. I would love the chance to see the Rolling Stones as they are one of my favorite bands ever. I would bring a family member, who I don't see enough of because of my schedule, or perhaps a sick friend or patient who would be cheered up by this once in a lifetime opportunity, as you are calling it. Please let me know as soon as possible if you would be willing to give me one of those tickets

Sincerely,

Patricia Healey, RN
