Dear Renee,

I heard you had Precious tickets but I can't afford those HUGE numbers,\$10,000,\$100,000?

Could you be kind enough to sell me two tickets at face value? I can afford to add like \$25.00 or even \$50.00,I know Massachusetts has rules about adding on to ticket prices but I'd really love to take my wife who loves The Rolling Stones. It's our anniversary!

As a donation would the cost be tax deductible,I know I'm putting the cart before the horse but I'm hopeful you'll consider my request.

Sincerely yours,
