Maziar, Boeing is eager and anxious to schedule a meeting.

If you do not want to meet with them, please let me know. If we can schedule a meeting, I would greatly appreciate obtaining a few dates from you that would be possible. I know that you are impossibly busy, and I am being careful to ask you for only this one meeting at this time.

If we need to talk about this by phone, please do not hesitate to call me on my cell: 415 518 5000.

Thanks!
Peter

Maziar, congratulations again! Many challenges and amazing opportunities.

I'd love to chat generally when you have a moment to breathe, but (as I mentioned in my voicemail) if like to set up a meeting to introduce you to Boeing as soon as possible. There are no "asks," just a chance to introduce the folks who work directly (and cooperatively) with Norm and your other staff.

Boeing is pleased to meet in Sacramento, Cypress, or Chatsworth-iwhatever is good for you.

Thanks in advance for letting me know what will work,

Peter
