RE: Your Letter Dated February 25, 2013 Concerning Google

Dear Mr. Simpson:

Thank you for your letter to Attorney General Kamala D. Harris, dated February 25, 2013, which has been forwarded to my attention for handling. I am the Supervising Attorney Deputy General for the Privacy Enforcement and Protection Unit (the "Privacy Unit").

As you know, the Attorney General is very concerned with California citizens' constitutional right to privacy. The Privacy Unit was created in order to protect these rights.

Although our office cannot share any details of any investigation we may pursue, I can assure you that we will look into the concerns raised in your letter to us, as well as your letter to the Federal Trade Commission on the same matter. Should you have any further concerns please contact me at the above telephone number or address.

Sincerely,

ADAM MILLER
Supervising Deputy Attorney General
