

## Michigan Survey Results

**Q1** If a driverless car were available to you, would you be likely to ride in it?

*Likely to Ride in Driverless Car*..... 19%  
*Not Likely To*..... 69%  
*Not Sure*..... 11%

**Q2** If a driverless car service were operating in your city, how concerned would you be about your safety as a passenger, pedestrian, bicyclist, or other driver on the road: very concerned, somewhat concerned, a little concerned, or not concerned at all?

*Very Concerned*..... 53%  
*Somewhat Concerned*..... 25%  
*A Little Concerned*..... 14%  
*Not Concerned At All*..... 7%  
*Not Sure*..... 1%

**Q3** In order for a driverless vehicle to operate, it needs to collect tremendous amounts of data not just about the passenger and their trip, but everything around the car. This data will be collected whether you use driverless cars or not. How concerned are you about the security of the data collected by the driverless vehicles: very concerned, somewhat concerned, not very concerned, or not at all concerned?

*Very Concerned*..... 51%  
*Somewhat Concerned*..... 27%  
*Not Very Concerned*..... 13%  
*Not Concerned At All*..... 9%  
*Not Sure*..... 1%

**Q4** If you or a loved one were injured or killed by a defect in a driverless car, do you think the company that developed the car or that is operating it should be able to force you to bring your case in a private arbitration proceeding, with no right to a jury trial, or not?

*Support Forced Arbitration With No Right to Jury Trial*..... 12%  
*Opposed*..... 75%  
*Not sure*..... 13%

**Q5** Would you ride in a driverless vehicle if you knew that you would be prohibited from taking the manufacturer or the company operating the vehicle to court in the event that a defect in the vehicle caused you or a loved one serious injury or death, or not?

*Would Ride in Driverless Vehicle*..... 17%  
*Would Not*..... 74%  
*Not sure*..... 10%

**Q6** Do you think in your lifetime that driverless cars will be safe enough for you to consider using them?

*Think Driverless Cars Will Be Safe Enough*... 31%  
*Do Not*..... 58%  
*Not sure*..... 10%

**Q7** If driverless cars and trucks become a reality, millions of Americans will lose their jobs as drivers. Does this make you want to slow down the deployment of driverless car technology, or not?

*Want To Slow Down Deployment of Driverless Car Technology*..... 57%  
*Do Not Want To Slow Down Deployment of Driverless Car Technology*..... 33%  
*Not Sure*..... 10%

**Q8** Driverless car manufacturers are testing unproven technology on city streets around the country with little or no oversight. Recently one of these driverless test cars struck and killed a pedestrian. Do you think there should be regulations in place to help protect the public from these public experiments with driverless cars?

*Support* ..... 86%  
*Oppose* ..... 11%  
*Not Sure*..... 3%

**Q9** As it relates to driverless vehicle technology, the driverless vehicle industry says that regulations for driverless vehicles should be created by the industry itself and that such standards should be voluntary, while those concerned with the safety of driverless vehicles say that federal and state governments should regulate driverless vehicles for the safety of riders, pedestrians and other drivers. Which do you agree with more?

*Should Be Set By Industry*..... 11%  
*Should Be Set By Government*..... 78%  
*Not Sure*..... 10%

**Q10** Congress is currently considering legislation to allow more driverless cars onto America's roads. Supporters of the legislation say it's needed in order to eliminate driver error as a cause for car crashes while opponents say that we should apply the brakes to driverless cars until the technology is proven safe. Which do you agree with more?

*More Driverless Cars Are Needed On Roads* . 13%  
*We Need To Apply The Brakes On Driverless Cars Until Technology Is Proven Safe* ..... 74%  
*Not Sure*..... 13%

**Q11** If you are a woman, press 1. If a man, press 2.

*Woman* ..... 53%  
*Man*..... 47%

**Q12** If you are a Democrat, press 1. If a Republican, press 2. If an independent, press 3.

*Democrat* ..... 38%  
*Republican*..... 32%  
*Independent*..... 30%

**Q13** If you are white, press 1. If African American, press 2. If other, press 3.

*White* ..... 82%  
*African American*..... 12%  
*Other*..... 5%

**Q14** If you are 18-45 years old, press 1. If 46-65, press 2. If older than 65, press 3.

*18 to 45*..... 27%  
*46 to 65*..... 43%  
*Older than 65*..... 30%
